TABLE GRAPE CONFERENCE 2026

Connecting ideas | Cultivating success

Dear Industry Partner

We are proud to announce the first South African Table Grape Conference hosted in collaboration between SASEV and SATI, taking place on **5 - 6 August 2026 at Allée Bleue, Franschhoek**. Building on previous collaborative SASEV and SATI events, the conference will bring together leading researchers, producers, and industry partners under the theme: **Connecting ideas | Cultivating success**.

The conference will offer sponsors maximum visibility, networking opportunities, and a strategic platform to showcase services, technology, or strategies for a sustainable and successful industry.

We invite you to partner with us through the available sponsorship opportunities and look forward to working with you to make this event a resounding success.

Talitha Venter
