

CALL FOR ABSTRACTS

ABSTRACTS for scientific full oral and flash presentations can be submitted on research findings focusing on table grapes.

Abstracts can be submitted under four themes:

- Our industry: Local overview and global perspectives
- Plant health: Towards a healthier future
- A sustainable table grape future: Innovation and new insights
- Delivering quality products: Post-harvest management and packaging

Presentation types:

- **Oral presentations**
 - 12-minute presentation plus 3 minutes question time.
- **Flash presentations**
 - 5-minute presentation

Abstract guidelines

Abstracts will be submitted online via a submission form. To prepare you will need:

- Presentation title
- Author list
- Author affiliations
- Abstract should not exceed 300 words
- 3-5 keywords
- Indicate the presenting author and corresponding author
- Students must get permission from their supervisors to submit

Closing date for abstract submission is 15 May 2026

To submit your abstract:

Follow the link <https://forms.gle/EcCiicGfLtuQ4A227> or scan the QR code.
